Allison L. Marino

Dear Allison,

The feelings of going back to school are transcendent across generations. Everyone recalls the excitement of reuniting with sisters over laughs, swapping summer stories, feeling the anticipation of recruiting new members, and deepening the ties that bind us together through another year of AOII.

As the years pass, we still recall those memories. We also relive them through connecting with our fellow sisters – whether it is through volunteering with a local collegiate chapter, getting involved with an alumnae chapter in our area, or even calling someone we haven't spoken to in a while – our sisterhood is stronger because we are united through each other and our Fraternity.

While the past few years have been disruptive to in-person connection, AOIIs have proven that sisterhood knows no limits. The AOII Foundation is no exception – you have shown us that when a sister is in need, you will be there for them. After a highly successful past fiscal year – one of our best for the Loyalty Fund, our unrestricted operating dollars – we know that we can count on you to help current and future AOIIs succeed.

Give for Helen, give for Stella, give for Jesse, and Elizabeth – and all who are AOIIs, now and in the future.

We thank you for all your past support. We hope you will continue that same love for us in the future.

Roses,

Ashley Krieg Byrd
